Please note! This stunning villa in Torre Vieja - El Chaparral is only available during certain seasons. During the summer it is also available but through another portal. We could supply you the details of that.

No pets and no smokers inside the villa.

This villa is completely renovated in 2018 and has everything to offer that you will ever need for a perfect holiday or winterseason stay. Fully furnished, modern, several bedrooms, laundry room, air conditioning, alarm system, internet -wifi, huge private plot of 800m2 with loads of privacy, big private pool, several seating area's in the garden, a winter sun-room facing south (like a second living room)

Electricity and water consumption will be paid by the tenants during the stay. Upfront a deposit needs to be paid for that. The end-cleaning service is 150 Euros.

The following years it will be available from October till the end of March.
