Large house with closed garage just 10 minutes from the beach. It has an entrance for the car to access a spacious closed garage. With a very large front terrace and also a nice porch at the entrance with an awning. The house is built on one floor and at the back has a huge patio. Equipped with bars on the windows and overlooking a park. No neighbors in front.

In this house all the rooms are very spacious. Its living room has a fireplace, has 2 full bathrooms with large windows, the kitchen is also large and has a utility room and has 3 double bedrooms with built-in wardrobes. The house is in very good condition and is being sold fully equipped and ready to move into. The area is great and has all kinds of shops, restaurants, leisure centers, etc. close by
