This beautiful spacious home is truly a dream home for families who love space and comfort. With 4 bedrooms and 3 bathrooms, there is enough space for everyone. The home was built with high-quality materials and of good quality.

When you enter the home, you are immediately overwhelmed by the spacious impression. Each bedroom has its own details and lets you relax to the fullest. There is plenty of closet space available so you can neatly store all your belongings. The bathrooms are not modern but are certainly functional and spacious. One of the biggest pluses of the home is the spacious garage under the house. Here you can easily park several cars and in addition you have enough space to, for example, store bicycles or create a workshop.

But also outside the house is enjoyable. The garden is wonderfully spacious and offers enough privacy to relax. In summer you can enjoy a delicious barbecue or read in the sun. The house is also conveniently located so you can be in the center or at the beach within a short time.

In short, this beautiful spacious house with 4 bedrooms and 3 bathrooms, unique spacious garage and lovely garden is really a great opportunity with lots of potential.
